

Career Journey Course for Adults

Open to “Grown Ups” Aged 25-125!

Do you hate your Current Job?

Does your Career Fulfil You?

Did you Study the “Wrong” Career?

How can you make a living doing what you love?

In short, this course is an Online Career Coaching Journey to help you find a job that not only benefits you financially but fulfils you emotionally, mentally and creatively as well!

We create a fun and creative space free from pressure, so that you can explore how to not just “work”, but really “thrive” in a space that meets all your needs.

And no, this isn't a fairytale – people all over the world are living their dream life – why not you?

3 Career Coaching Sessions using our special “Gap Formula” Concept to Identify the Life and Career Path for You!

We will also be looking at:

- 1. What is your Career Passion?**
- 2. How to go from Where You are Now to Where you Want to be**
- 3. How to Identify a Work/Home-Life Balance**
- 4. Goal Mapping for the Future**
- 5. Finding a Career that is Future Proof, Financially Stable, Creative and Fulfilling**
- 6. How to Take an Idea Forward either into a New Job, Your own Business or an exciting new hobby!**
- 7. Experience Your Own Tailor-Made Career and EQ Journey Online**
- 8. Taking out the Personal Obstacles holding you back from living your best life!**

Over 160 Careers Available

Whether you are 25 years old and wanting to find your first career or whether you are 65 and want to find a new one **WE CAN HELP YOU!!!**

What Careers do we have Experience in? Well, almost Everything! From IT to Carpentry to Criminology to Interior Design to Marketing and Everything In-Between!

You are never too young or too old to create your dream life.

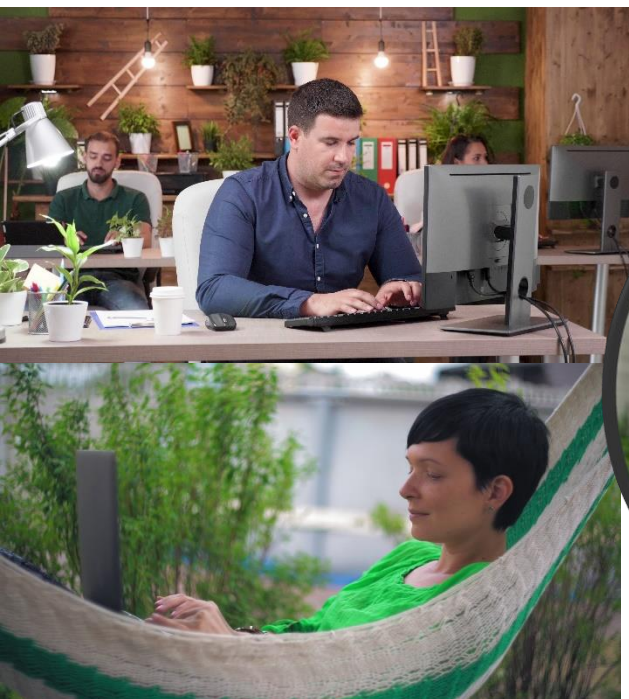

Your Dream Future is only One Conscious Decision Away – Make it Today!

It was incredible, so insightful
and thought-provoking. Highly
recommended

Hannah

I had all these ideas swirling around in
my head, these sessions helped me to
make them real and practical

Craig
